## 21st Toronto Hike for Hospice May 7, 2023

Come hike with us, and help raise essential awareness and funding for hospice care! Emily's House is Toronto's first paediatric residential hospice, and a project of the Philip Aziz Centre for Hospice Care. Whether serving children at our residential hospice, or providing trained professionals and volunteers for home visits in the GTA community (for children and adults), we are committed to providing well-being and quality of life to the very end of life. With your help, these children, adults, and their families can feel as supported as possible during their last weeks, months or days. When there is no cure, there is care....
