

WELCOME TO HOSPICE PALLIATIVE CARE!

for all Communities

An educational presentation designed to empower people on the rich care that is possible for Folks diagnosed with life-limiting or progressive illnesses. It covers the basic terms used in modern palliative care so that people, families and communities have a better understanding of this important pathway of healthcare. Attendees will learn to confidently advocate for their desired care wishes and will receive helpful and accessible resources to access support for future reference!

DATE: Monday October 23, 2023

WHERE & WHEN: via Zoom from 6pm to 7:30pm
